

# ERRIN Partner Search Facilitator

For distribution over the ERRIN Network, please return the completed form to the ERRIN Secretariat at: [communication@errin.eu](mailto:communication@errin.eu)

<b>(Preliminary) Title of the project</b>	Wind power potential evaluation and prediction
<b>Outline of the project idea</b>	Wind power potential evaluation and prediction
<b>Call</b> <b>- Title and reference number</b> <b>- Funding programme</b> <b>- Link to the call document</b>	CIP-IEE-2011 / Activity : 10.2.1 ALTENER — Electricity from renewable energy sources <a href="http://ec.europa.eu/energy/intelligent/call_for_proposals/doc/call_2011_en.pdf">http://ec.europa.eu/energy/intelligent/call_for_proposals/doc/call_2011_en.pdf</a>
<b>- Closing date</b>	Thursday 12 May 2011 (7pm)
<b>Foreseen project duration</b>	1 to 3 years
<b>Partner description</b>	<p><b>The SME is looking for partners on this CIP-IEE call.</b></p> <p>It performs innovative scientific engineering studies and implements customized end-user solutions in the fields of space, environment and sustainable development.</p> <p>The company develops solutions that federate strong expertise in environmental and physical sciences, in domains covering the atmosphere, oceans, and land surfaces.</p> <p>The company has a strong expertise in modeling, simulations, the processing of observation data and measurements, information systems, impact assessments, decision support systems...</p>
<b>Type of partners you are looking for and their expected roles in the project</b>	SME partners in the field of wind energy production
<b>Expertise description</b>	<p>Multi-scale weather prediction and analysis including:</p> <ul style="list-style-type: none"> <li>- regional scale weather prediction</li> <li>- Fine scale atmospheric flow modeling</li> <li>- Data assimilation using satellite imagery or/and ground based measurements and/or vertical soundings</li> </ul> <p>Fine-scale weather prediction</p> <p>Multi-scale ocean prediction and analysis including:</p> <ul style="list-style-type: none"> <li>- multi scale wave modeling</li> <li>- analysis of the state of the ocean using buoys, satellite imagery</li> </ul>
<b>Deadline for responding to this partner search</b>	
<b>Contact person(s)</b> <b>- Name</b> <b>- Organisation</b> <b>- Telephone number</b> <b>- Email Address</b>	Céline PEIRS – Mirella BERRY Chambre de Commerce et d'Industrie de région Midi-Pyrénées +33 5 62 74 20 04 <a href="mailto:celine.peirs@midi-pyrenees.cci.fr">celine.peirs@midi-pyrenees.cci.fr</a> <a href="mailto:mirella.berry@midi-pyrenees.cci.fr">mirella.berry@midi-pyrenees.cci.fr</a>
